# BIMDA'S 20TH ANNIVERSARY CELEBRATION

Photography by Amanda Stratford

One of the most respected medical associations in the state of Florida celebrated turning 20 years old. The Brevard Indo-American Medical and Dental Association (BIMDA) was founded on the basis of scientific, educational, cultural and charitable purposes. Members volunteer their time to further the group's objectives including "to support and foster the availability of medical assistance to indigent people in Brevard County, Central Florida and India."
